

CS327 CS370 Oval pivot tubes and wire guides

REV 3 01/18/2021

Pivot tube

For some wires you need this guide to orientate it as it feeds across the blades. Especially needed if the wire is fairly flexible.

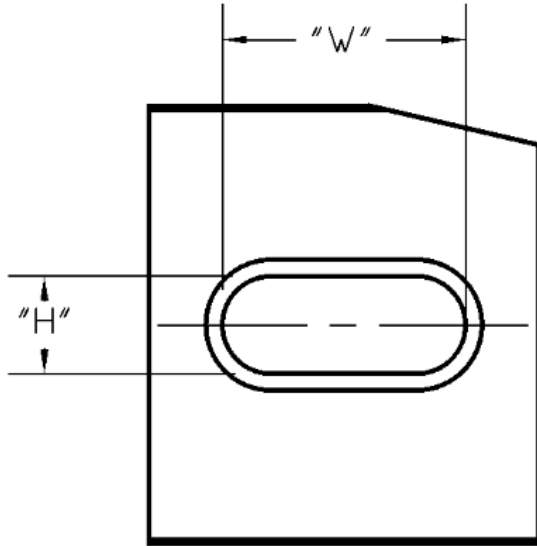

Pivot tube for standard wire, double blade machine.

Part number to order	"W" Dim. inches	"W" Dim. mm	"H" Dim. inches	"H" Dim. mm	Base part
5-143087-3	0.375	9.53	0.250	6.35	143082
5-143087-4	0.690	17.53	0.310	7.87	143083
5-143087-5	0.720	18.29	0.360	9.14	143083
5-143087-7	0.750	19.05	0.360	9.14	143083
5-143087-8	0.910	23.11	0.390	9.91	143084
5-143087-2	1.000	25.40	0.390	9.91	143084
5-143087-6	1.020	25.91	0.510	12.95	143084
5-143087-1	1.200	30.48	0.450	11.43	143084
5-143087-9	1.200	30.48	0.530	13.46	143084

Infeed guide

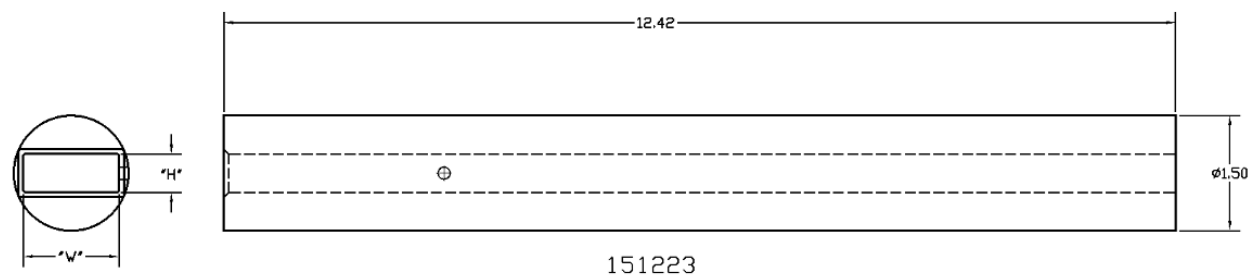

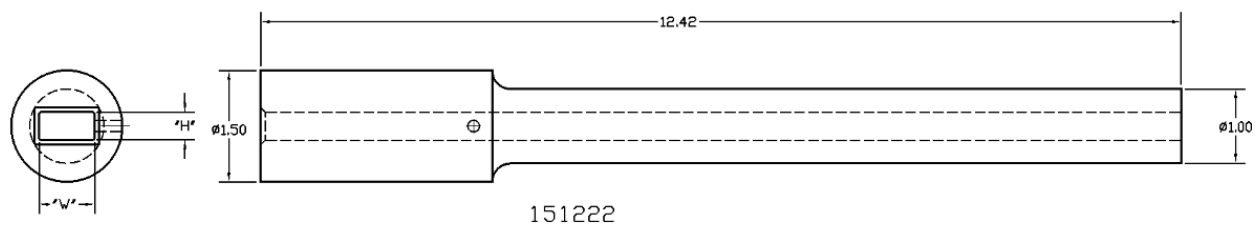

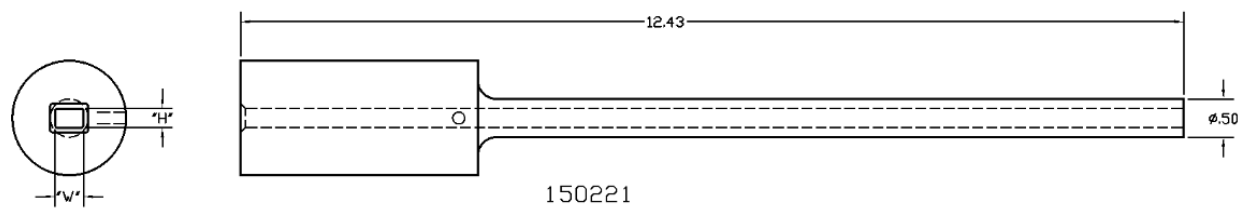

For some wires you need this guide to orientate it as it goes through the slit. Especially needed if the wire is fairly flexible.

Part number to order	"W" Dim. inches	"W" Dim. mm	"H" Dim. inches	"H" Dim. mm
142982-7	0.350	8.89	0.160	4.06
142982-4	0.690	17.53	0.310	7.87
142982-5	0.720	18.29	0.350	8.89
142982-1	0.800	20.32	0.395	10.03
142982-3	1.000	25.40	0.390	9.91
142982-6	1.020	25.91	0.520	13.21
142982-2	1.200	30.48	0.450	11.43

Pivot tube for Ink Jet printing

For some wires you need this guide to orientate it as it feeds across the blades. Especially needed if the wire is fairly flexible.

Pivot tube for standard wire, double blade machine.
