

Burford® Smart Seeder

MODEL 9840 - RIGHT HAND, MODEL 9940 - LEFT HAND

The Burford® Smart Seeder applies a wide variety of dry toppings to enhance the appearance of bakery products. The 9840 provides consistent coverage and seed savings by automatically adjusting the pan guides, seed quantity, hopper height, and water spray height.

- Accurate topping placement
- Improved sanitation
- Separated water spray system
- Stainless steel & aluminum construction
- Quick change mandrel

Model 9840 shown with optional
PWM water spray, stacked water splitter,
conveyor and MPAS auto fill system
