The Quote is conditioned upon the terms and conditions set forth below.

- **Availability:** This Quote does not guarantee that the items listed in the Quote are available.
- **Valid Period:** This Quote remains valid for 30 days from the date in the attached document.
- **Schedule:** Once the payment has been completed, the order will be filled based on the availability of items ordered.
- **Core Charges:** A "Core" is a used part or assembly that must be returned to Epilog Laser instead of being scrapped. A Core Charge is a deposit held until the Core is returned.
 - Core items are refundable within 30 days of the purchase/shipment date.
 - Failure to return a Core may result in the suspension of your account.
 - Not all items are eligible for a refund.
- **Returns:** Items returned within 90 days of the purchase date in new condition will be refunded to the payment method used at the time of purchase. Items will be inspected upon receipt and only items that show no sign of use will be refunded.
- **Changes:** Any changes requested to the Quote, e.g., specifications, quantities, or schedule, are not binding unless Epilog Technical Support accepts and confirms these changes in writing. Any changes may lead to additional charges. You agree to pay these charges when you request and agree to these changes.
- **Acceptance:** If you accept the terms of this Quote, please proceed by replying to this email to process payment.
- **Taxes:** Taxes shown on the Quote are estimated and will be updated at the time of Invoicing. You are responsible for all applicable local, state, and federal taxes levied on the transaction described in the Quote. No tax exemption may be recognized unless a valid tax exemption certificate is provided.
- **Payment:** Payment can be processed by working with the agent who provided the Quote.
- **Credit Card Terms:** Epilog is not extending terms at this time. Your order will require prepayment to be made via ACH, Wire, Check, or Credit Card. Please reply to your case and work with your technician to provide prepayment.
