RAND McNALLY

RVGPS Navigation and Routing **for RVs**

Main Menu

1. Enter RV information and access RV-specific tools.
2. Show location on the map and view navigation instructions.
3. Choose a destination.
4. Select general, route, and map preferences.
5. Mute/unmute the speaker.
6. Adjust speaker volume.
7. Battery status indicator.

Note: Some icons may not be present, depending on specific hardware

Enter RV Information and Set Warnings

1. Tap **RV Tools** > **RV Info** or **Warnings.**
2. Tap ▲ and ▼ to view options.
3. Tap the option button to be changed.
4. Enter new settings.
5. Tap ⤺ to save changes.

Set Routing and Device Options

1. Tap **Preferences**.
2. Tap the **General**, **Route** or **Map** tab.
3. Tap ▲ and ▼ to view options.
4. Tap the option button to be changed.
5. Enter new settings.
6. Tap ⤺ to save changes.

Route to a Destination

1. Tap **Choose Destination** > **New Location**.
2. Tap **Address**.
3. Enter the name of the city. (**Note:** As you type, the keyboard displays only the next possible letter.)
4. Prompts appear in the top bar. Tap the city to select. Or, tap **List** to view cities beginning with the letter(s) you entered.
5. Enter the street name. (**Note:** If the letters you need do not appear, tap Expand Search.)
6. Enter the house number.

See Confirm Destination Window (page 6).

Tips

- You can also route to a new location by **City Center**, **Intersection**, or **Latitude/Longitude**, or choose **Address** > **Zip Code Search**.

- View recent destinations by tapping **Choose Destination** > **History**. View recent cities by tapping **Choose Destination** > **New Location** > **Address** > **History**.

- View saved locations by tapping **Choose Destination** > **Address Book**.

Confirm Destination Window

1. Destination address.
2. Begin route to destination.
3. Add the location as a via point on the way to a previously entered destination.*
4. Save the location to the Address Book.
5. Cross reference to printed Rand McNally Road Atlas.
6. View the map.
7. Change the starting location for a route to the location displayed here.
8. Return to Main Menu.
9. Return to previous window.

*To manage via points, Tap **Choose Destination** >
Multi-Stop Trips. You can add up to 50 destinations in a
multi-stop trip, and optimize routing for trips of up to 10 stops.

NOTE: This window may include
additional buttons based on the
type of destination selected.

Route Map Window

1. Repeat spoken next-maneuver instructions.
2. Name of street you will turn onto next.
3. Show arrival time, remaining time, or other options.
4. Slide out to show upcoming exit information.
5. Directions list slideout. Tap **Route Display Options**
   to select turn-by-turn, highway, or map view.
6. Zoom in/zoom out.
7. Return to Main Menu.
8. Select a map display option (Heading Up, North Up, or 3D View).
9. View current road name, upcoming cross road name, or city, county and state.
10. View and save current location, detour, or cancel a route.
11. Tap on the current speed to display the Virtual Dashboard.
    (**Note:** Turns red for speed warnings; set in **RV Tools** > **Warnings**.)
12. Current speed limit. Tap to open a "Tell Rand" about speed limits.
13. Mute the speaker.

Find a Point of Interest (POI)

Tap **Choose Destination** > **Points of Interest**.

1. Find popular RV-friendly POIs near your current location.

Search for a POI:
2. Near your RV
3. In a particular city
4. Along your route
5. Near your destination

POI Categories:
6. Select a category.
7. Find restaurants, hotels, and other subcategories.
8. View custom POIs that have been uploaded through the Rand McNally Dock.
9. Tap location to select.
10. View and edit ratings and comments.
11. Tap to search by available services.
12. Apply or remove services filter for search results.

Junction View

When on a route, Junction View displays when you have an upcoming maneuver. Once past the maneuver, Junction View closes and the previous window displays.

1. Signs to follow for the next maneuver.
2. Number and direction of lanes for the next maneuver.
3. Distance to the upcoming maneuver. Distance decreases as you approach the ramp.
4. Lane assist arrow.
5. Mute the speaker.
6. Return to previous window.

Virtual Dashboard

1. Sunrise and sunset times based on vehicle location (latitude/longitude) and day.
2. Current speed.
3. Elevation at current location.
4. Percentage of current trip completed, distance to next maneuver, and the number of miles and time spent on the trip to this point.
5. Average uphill and downhill speeds.
6. Gather trip information for up to three trips. Includes odometer settings, hours, and speeds.
7. Reset trip information for the selected trip (Tab 1, Tab 2 or Tab 3).
8. Select to automatically reset the information in each tab after the vehicle has remained stationary for the specified number of hours.
9. View fuel logs and add fuel purchase information.
10. Return to the **Route Map Window**.

Checklists, Maintenance, Trails, and Fuel

Tap **RV Tools** > **Checklists, Maintenance, Trails, Fuel**.
Then tap on each tab to view.

1. Use **Checklists** to create and complete task lists to prepare for a trip.

2. Add notes in the **Maintenance** tab to record dates of service for your RV.

3. Use **Trails** to record a "bread-crumb" path of GPS coordinates where your RV has traveled. Tap any record to view the trail, edit the name, or set the color.

4. Use the **Fuel** tab to view a list of fuel purchases. Tap **Add Fuel** to record the date, location and cost of fuel purchase. Tap **Save**. Tap any record to make changes.

More Information

For a detailed description of the features of your device, please see the RVND™ User Manual. The User Manual can be downloaded from the Rand McNally Dock, and is also available at **www.randmcnally.com/support**.

Rand McNally Dock

The Rand McNally Dock enables you to receive software upgrades and access map updates, construction updates, and additional features. Simply download the Dock software for your PC or Mac at **www.randmcnally.com/dock,** remove the SD card from your device and insert it into your PC or Mac using SD card adapter. Then start the Rand McNally Dock software.

With the Rand McNally Dock, you can also:

- Upload custom POIs, such as red light cameras and railroad crossings, to your device
- Download the User Manual
- Access the Rand McNally support site and online store
- Read product news and announcements
- Send feedback and suggestions to Rand McNally through "Tell Rand"

Warnings, End-User License Agreement, and Warranty

Pay attention to road conditions and street signs, and obey all traffic and safety laws. Traffic laws and current traffic conditions must always be observed and take precedence over the instructions issued by the Rand McNally navigation system. The User should be aware of situations where current traffic conditions and the instructions from the navigation system may be in conflict. Some states prohibit the use of windshield mounts and may otherwise restrict the usage of navigation and other electronic devices in the vehicle. It is the User's responsibility to ensure compliance with all laws and regulations. The use of the navigation system does not relieve the User of his/her responsibilities. The User is ultimately responsible for the vehicle under his/her control and should be aware of the surroundings at all times.

If after reading these statements the User decides not to accept these terms, the User should not use the navigation system.

Rand McNally hereby grants you ("User") a single-user non-exclusive, non-transferable license to use the Rand McNally navigation system (hereinafter referred to as the "Product" (including software and associated data)) for User's own internal business or personal use and not for resale, sublicense or commercial use.

This Product and the software incorporated in it and related documentation are furnished under license and may be used only in accordance with this license. Except as permitted by such license, the contents of this Product and software may not be disclosed to third parties, copied or duplicated in any form, in whole or in part, without the prior written permission of Rand McNally. This Product and software contain proprietary and confidential information of Rand McNally and its licensors. Rand McNally grants User a limited license for use of this Product and the software incorporated in the Product for its normal operation. By using the Product, User acknowledges that the content of this document and the Product are the property of Rand McNally and its licensors and are protected by U.S. copyright, trademark and patent laws and international treaties.

THE USER MAY NOT:

• Use the Product on a network or file server, time-sharing or to process data for other persons.

• Use the Product to create any routing tables, files, databases or other compendiums.

• Copy, loan or otherwise transfer or sublicense the Product, its software or content.

• Modify, or adapt the Product in any way, or decompile, disassemble, reverse engineer or reduce to human readable form the Product and software incorporated therein.

• Alter, remove or obscure any copyright notice, trademark notice, or proprietary legend from the Product, its software or content.

This license will terminate automatically if User fails to comply with any of the terms of this license and User agrees to stop using the Product. Rand McNally may revise or update the Product and is not obligated to furnish any revisions or updates to User.

Caution: Rand McNally makes no warranty as to the accuracy or completeness of the information in the Product and disclaims any and all express, implied or statutory warranties, including any implied warranty of merchantability or fitness for a particular purpose. It is the user's responsibility to use this product prudently. This product is intended to be used only as a travel aid and must not be used for any purpose requiring precise measurement of direction, distance, location or topography.

RAND MCNALLY AND ITS LICENSORS DO NOT MAKE ANY OTHER WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCT, INCLUDING ANY WARRANTY AS TO QUALITY, PERFORMANCE, TITLE OR NON-INFRINGEMENT. IN NO EVENT WILL RAND MCNALLY OR ITS LICENSORS BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE PRODUCT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Some states do not allow limitations on how long an implied warranty lasts and/or do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to some consumers.

The User agrees to allow User-provided information to Rand McNally to be used for internal business evaluation purposes, including, but not limited to, evaluating the effectiveness of the services provided, methods to simplify or improve User experiences. Such information will not be used by third parties or in any way that discloses the identity of the User.

Rand McNally may make use of third party software in the Product. Notwithstanding the terms and conditions of this license, use of some third party materials included in the Product may be subject to other terms and conditions. The official third party copyright notices are provided at the end of this License.

The User agrees to indemnify, defend and hold Rand McNally and its licensors (including their respective licensors, suppliers, assignees, subsidiaries, affiliated companies, and the respective officers, directors, employees, shareholders, agents and representatives of each of them) free and harmless from and against any liability, loss, injury (including injuries resulting in death), demand, action, cost, expense or claim of any kind or character, including but not limited to attorney's fees, arising out of or in connection with any use or possession by the User of this Product.

These terms and conditions constitute the entire agreement between Rand McNally (and its licensors and suppliers) and the User pertaining to the subject matter hereof, and supersedes in their entirety any and all written or oral agreements previously existing between us with respect to such subject matter.

The above terms and conditions shall be governed by the laws of the Illinois, without giving effect to (i) its conflict of laws provisions, or (ii) the United Nations Convention for Contracts for the International Sale of Goods, which is explicitly excluded. The User agrees to submit to the jurisdiction of Illinois for any and all disputes, claims and actions arising from or in connection with the Data provided to the User hereunder.

User shall not export the Product in violation of any U.S. or foreign laws. Rand McNally's licensors shall be third party beneficiaries of Rand McNally's rights under this license, but are not parties hereto and have no obligations hereunder.

By using this product you agree to be bound both by the foregoing and to the terms of use found at www.randmcnally.com/RVGPS.

Restricted Rights Legend. For governmental agencies: Use, reproduction or disclosure is subject to restrictions set forth in subparagraph (c) (1) (iii) of the Right in Technical Data and Computer Software clause at DFARS 52.227-7013, as amended.
