## Language Codes

When you order these manuals, make sure to add the 2-digit language code at the end of the part number. For example, the part number of the Spanish version of the Operator Manual is 361868-04. Use the list of language codes shown in Table 2 to identify the translated versions of the manual. Note: **Availability of the Operator Manual is indicated by an asterisk (\*). Availability of the Service Manual is indicated by a plus sign (+). Contact the Videojet distributor or subsidiary for more information.**

**Table 3: Language Codes**

| Code | Language             | Availability (See Note Above) |   |
|------|----------------------|-------------------------------|---|
| 01   | English (US)         | *                             | + |
| 02   | French               | *                             |   |
| 03   | German               | *                             |   |
| 04   | Spanish              | *                             |   |
| 05   | Portuguese Brazilian | *                             |   |
| 06   | Japanese             | *                             |   |
| 07   | Russian              | *                             |   |
| 08   | Italian              | *                             |   |
| 09   | Dutch                | *                             |   |
| 10   | Chinese (Simplified) | *                             | + |
| 11   | Arabic               | *                             |   |
| 12   | Korean               | *                             | + |
| 13   | Thai                 | *                             |   |
| 15   | Norwegian            | *                             |   |
| 16   | Finnish              | *                             |   |
